PRESIDENTS REPORT

Hi,

The Dyno Shootout held at Mainline Autogas, saw a turnout of 12, and the event was won by Tom Parker 1380cc Mini which put out 99 bhp. A BBQ was also held and our thanks to Dave Dalziel.

The mystery run held on Sunday 27th, went from Greenlane to Maratai - to East Coast - to State Highway 2 onto Les Gubb's at Papakura, with 2 breakdowns out of 6 cars.

Brian McMahon came to the October Clubnight and gave a very interesting speech on Mini 7 racing. Enjoyed by all members especially question time afterwards. Our thanks to Brian.

Don't forget Mini Nationals at Palmerston North (Labour Weekend). So far more than 75 confirmed entries from all over the country have been received. Lynn Scott is coordinating the convoy run on Friday 23rd October.

We are lucky to be one of only six Car Clubs selected to have a display at the 'Big Boys Toys' exhibition being held at NZ Expo. Centre Greenlane, from 13th to 16th November.

We are hoping to have another Bent Sprint at Whenuapai on 6th or 13th December. We are awaiting a reply from the Air Force, will keep you posted on the outcome.

Motorkhana report

The day began cold & rainy. Experienced Motorkhana drivers jumped for joy! Rain makes for spinning tyres, spinning cars, & heaps of fun!

The rest of the members saw the rain & must've gone back to bed!

It was a great day with the Cooper Car Club. The courses were challenging, but not so difficult that even the beginners could easily complete them. (Except for Andrew Manning, who was all over everywhere.)

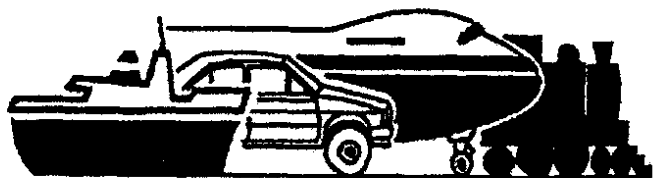

The day ended with straight line sprints. Lynn Scott, who is normally a very sedate driver, got a hold of Andrew Carter's 1275 GT and discovered how much fun it is to smoke the tyres at the beginning of the sprint!

All types of cars (& drivers!) took part, from standard around-town Minis to fully modified race Minis and everything in between.

The Cooper Car Club will be hosting the next one 11th October 9.00 am. (Edwin rd Carfair, Mt. Eden)

Our own Mini Club will also be having a Motorkhana at Whenuapai Air Base. More information on this event later.

To all of you who think this might not be the type of event for you-think again!!

Also bring along any neat Mini memorabilia you might have (don't worry, you don't have to swap it!) This includes models, posters, books, T-shirts, anything! If it's got Mini on it, bring it. Even if you don't have any bits & pieces to bring, bring yourself and check everything out. Note the new address for the clubrooms. They're pretty neat & really roomy!

DECEMBER

- Tuesday 1st 7:30pm **Clubnight. CHRISTMAS FAMILY BBQ.**
Northern Sports Car Club, Mt. Richmond Domain, Otahuhu. Clubnight will be a little earlier tonight because it's the night of the Christmas Family Barbecue. The whole family is invited to the barbecue, so bring them along to see just what a great group we are! There's also plenty of green grass outside the clubrooms for the kiddies to run around on. The club provides bread & sausages. You need to bring a plate (salad, side dish, or dessert). Also bring along a bit of cash for drinks – our wonderful new clubrooms have a cash bar that will be open that evening!
- Sunday 6th 9:00am **Econoron Trial.** Heaps of fun! Start at the **Northern Sports Car Club, Mt. Richmond Domain, Otahuhu** at 9:00 am with a list of directions. Follow the directions and at the end we find out who is really keeping their Mini well tuned and running economically! (Isn't that what Minis are known for?!) Helps if you have a navigator, but it's not absolutely necessary. Finish about 1:00pm.
